

### **Discipline Policy**

It is our intent to provide a loving, safe-environment for your child. Everglades Academy will make every effort to correct small problems before they become serious. More importantly, positive, preventative measures are taken to do everything in our power to stop negative behavior. We will teach your child how to problem solve by giving him/her positive ways to correct any problem. We will ensure age appropriate, individual, constructive disciplinary actions. Children will never be frightened, humiliated or belittled as a form of discipline. Discipline will not be associated with food, rest, or toilet training.
